Goodridge brake line kits

For over fifty years, we have been a leading global manufacturer of performance motorcycle components and have fully transitioned from chrome plating to stainless steel manufacturing. This strategic move strengthens the company's commitment to innovation, sustainability, and addressing the needs of its distributors and customers.

Goodridge has proactively decided to make this change across our product line.

Stainless steel provides numerous advantages over chrome

Superior Durability: Stainless steel delivers outstanding resistance to corrosion, rust, and the elements, ensuring long-term performance and appearance.

Sustainability: Our shift to stainless steel is more than just a material change. It's a testament to our unwavering commitment to sustainability, as stainless steel's manufacturing process is far more eco-friendly than traditional chrome plating.

Modern Aesthetics: The sleek, bright stainless-steel finish offers a contemporary look to complement the highly polished, elegant style of V-Twin motorcycle builds.

Rest assured, Goodridge's transition to stainless steel manufacturing is a testament to our commitment to superior products. Our stainless-steel products are built to last, with uncompromising quality, longevity, and visual appeal.

As always, all Goodridge brake lines are pressure tested before leaving our facility and conform to all federal requirements of FMVSS106, making them DOT Compliant.

From all at Goodridge, ride safe, healthy and happy.

Note:

Goodridge also offer a full range of **brake pads for Harley Davidson** applications.

See separate brake pad catalogue for further details.

Harley Davidson How to order

All front brake and clutch hose kits in this application guide are designed for **stock** vehicles but can also be ordered with additional length, or shortened length, upper hoses to suit **non stock/aftermarket** bars (in 2" increments).

Front brake hose kits with additional length master cylinder/upper hose.

If you require a front brake hose kit with a longer master cylinder/upper hose please use the following guide for reference:

To add 2" to the length of a **stock** kit simply add a "2" to the end of the part, if you require an additional 4" add a "4", and so on as shown below when ordering:

Model	Year	Front kit stock	Front kit + 2	Front kit + 4	Front kit + 6	Front kit + 8	Front kit + 10
FXST Softail standard (ABS)	21-24	HD0140-2FB-BK	HD0140-2FB-BK2	HD0140-2FB-BK4	HD0140-2FB-BK6	HD0140-2FB-BK8	HD0140-2FB-BK10
FXST Softail standard (NonABS)	21-24	HD0140-1FB-BK	HD0140-1FB-BK2	HD0140-1FB-BK4	HD0140-1FB-BK6	HD0140-1FB-BK8	HD0140-1FB-BK10

Front brake hose kits with shortened length master cylinder/upper hose.

If you require a front brake hose kit with a shorter master cylinder/upper hose please use the following guide for reference:

To shorten the length of a **stock kit** put a minus sign (-) and the shortened length required at the end of the part number as shown below when ordering:

Model	Year	Front kit stock	Front kit - 2	Front kit - 4
FXST Softail standard (ABS)	21-24	HD0140-2FB-BK	HD0140-2FB-BK-2	HD0140-2FB-BK-4
FXST Softail standard (NonABS)	21-24	HD0140-1FB-BK	HD0140-1FB-BK-2	HD0140-1FB-BK-4

Clutch hose kits with additional length.

If you require a clutch hose kit with a longer hose please use the following guide for reference:

To add 2" to the length of a **stock** kit simply add a "2" to the end of the part, if you require an additional 4" add a "4", and so on as shown below when ordering:

Model	Year	Clutch kit stock	Clutch kit + 2	Clutch kit + 4	Clutch kit + 6	Clutch kit + 8	Clutch kit + 10
FLHR Road King	17-20	HD2101-1CB-BK	HD2101-1CB-BK2	HD2101-1CB-BK4	HD2101-1CB-BK6	HD2101-1CB-BK8	HD2101-1CB-BK10

Clutch hose kits with shortened length.

If you require a clutch hose kit with a shorter hose please use the following guide for reference:

To shorten the length of a **stock kit** put a minus sign (-) and the shortened length required at the end of the part number as shown below when ordering:

Model	Year	Clutch kit stock	Clutch kit - 2	Clutch kit - 4
FLHR Road King	17-20	HD2101-1CB-BK	HD2101-1CB-BK-2	HD2101-1CB-BK-4

If you require any further modifications please contact your local Goodridge sales advisor for further details.
